

AutoCAD®

Optimize your AutoCAD software with Autodesk Subscription.

AutoCAD 2010

Design and shape the world around you with the powerful, flexible features found in AutoCAD® software, one of the world's leading 2D and 3D design software. Help speed documentation, share ideas seamlessly, and explore ideas more intuitively in 3D. With thousands of available add-ons, AutoCAD provides the ultimate in flexibility, customizable for your specific needs. It's time to take design further. It's time for AutoCAD.

Autodesk Subscription

Enjoy the latest release of Autodesk software, incremental product enhancements, and exclusive license terms that are available only to Subscription members. A range of community resources, including web support direct from Autodesk technical experts, and self-paced training to extend your skills, make Autodesk Subscription the best way to optimize your Autodesk software investment.

Thinking of buying the latest release of AutoCAD? Before you finalize your decision, consider the benefits of adding Autodesk Subscription to your AutoCAD software license. Autodesk Subscription helps you stay up-to-date with the latest release of the software in a cost-effective way, while maximizing your productivity with exclusive license terms, and access to training and technical support.

Specifically, you'll enjoy:

Software Upgrades

Automatic and worry-free

For the term of your Subscription contract, you're entitled to receive all AutoCAD software releases at no extra charge. Autodesk Subscription protects your investment by helping you stay competitive with the latest software releases.

Product Downloads

Stay ahead of the competition

Your investment in Autodesk Subscription entitles you to download feature-rich extensions and software such as Autodesk® Impression for free. You'll be able create compelling presentation-ready graphics directly from your DWG™ and DWF™ files. Download it today from Subscription Center.

AutoCAD Subscription Bonus Packs

Tailor your software needs

Subscription customers have free access to new bonus features, released periodically and available via Subscription Center. These Bonus Packs provide you with new, specialized functionality, allowing you to benefit from leading-edge capabilities and convenient implementation without disrupting ongoing projects.

(continued on other side)

Exclusive License Terms

Hassle-free and flexible

Never miss a beat! Autodesk Subscription makes managing software licenses easier. You'll have added flexibility to allow your employees to use their AutoCAD software in the office or at home. And only Subscription members are entitled to use previous versions of AutoCAD software concurrently with the upgrades, in order to access new functionality in the latest releases. That means you can keep working on all projects seamlessly.

Training

Get up to speed quickly

Give your team instant access to a complete library of interactive training tools and high-quality, self-paced e-Learning lessons that allow users to increase their productivity and master new skills. With the choice to access e-Learning on-demand via Subscription Center, or through the Info Center — you learn on your terms.

Technical Knowledge Base

Quick and easy access to solutions

The Technical Knowledge Base is a comprehensive online database of technical solutions enabling you to search at any time for crucial information that can help you get the most out of your product. Subscription members have exclusive access to advanced search capabilities across the web that provides fast access to the most relevant AutoCAD solutions available — making it easier to find the information you want.

Web Support

One-on-one communication with experts

With web support, you get direct, one-to-one communication with AutoCAD support technicians for answers to your installation, configuration, and troubleshooting questions. And you don't need to keep track of support records and email trails, because we'll do it for you!

Predictable Budgeting

Remove financial surprises

Subscription offers an easy way to predict your software investment costs. Whether you opt for a one-year or a multi-year Subscription contract, you'll know expenses for the entire term of the contract.

Subscription Center

Simplified License Management

Autodesk Subscription Center, a password-protected member portal, gives members a single online location where they can quickly access the many features of Subscription including software updates, online training, and an extensive Knowledge Base, as well as administer their Autodesk Subscription contract and manage their AutoCAD software licenses. Login today at www.autodesk.com/subscriptionlogin.

What's New

Autodesk continues to develop new ways to add more value to the Subscription program. For a list of the latest feature releases, visit: www.autodesk.com/subscriptionlogin
